SATURDAY, MAY 12, 1900.

Dr. F. C. Reed excepts to the statement accredited in a local interview to his colleague, Mr. Kelley, to the effect that there were no changes in the personnel of the corps of teachers engaged for the coming school year. The Doctor gives out the sarcastic suggestion that it is time "to place Truth upon her pedestal again." Mr. Kelley has the floor.

South Side people want a new school house, new fire station, sixteen or seventeen electric lights, improved streets, sidewalks, and half a dozen policemen, and they'll not be happy till they get them. But the Board of City Commissioners has issued an iron clad order that no improvements in their department will be made in the outlying territory until the city's new wards have paid taxes for a few years. There is no indignation in Porto Rico like that in the territory newly annexed to Akron.

The delegates to the convention of the Independent Order of the Red Cross came to Akron this week, transacted their business, saw the sights, and returned to their homes, complimenting the local members of the order upon their hospitality. If the people generally did not make as much noise about the visit of the delegates as they usually do when a big convention comes to town the visitors should not impute it to lack of hospitality. Akron has troubles of her own at the Court House this week.

One reason why the taxpayers of Akron have to pay a pretty high price to keep the paved streets in order is that Akron has more square yards of paved streets by nearly a third than any city of her class in Ohio. The City Commissioners announce that they are going to keep the streets in better condition this year than ever before. Clean streets are something the people pay taxes to enjoy and if the Board will carry its resolution into effect without increasing the tax levy, the people will be ready to take off their hats to the Board.

Truth

about women's ills can be
frankly told by one woman to
another.

Remember that Mrs.
Pinkham is a woman.
Remember that her advice
and medicine have cured
a million women of weak-
nesses peculiar to their
sex.

Remember that no man
ever sees a letter written
to Mrs. Pinkham for
advice, that the letter is
opened, read and an-
swered by women, and
no testimonial ever pub-
lished without special
permission.

Remember that Lydia E.
Pinkham's Vegetable
Compound is the recog-
nized safeguard of wo-
man's health.

Remember these things
when some other remedy
is suggested, and remem-
ber then when you want
advice. Mrs. Pinkham's

Remedy. I was taken very badly
with flux and procured a bottle of this
remedy. A few doses of it effected a
permanent cure. I take pleasure in
recommending it to others suffering
from that dreadful disease—J. W.
Lynch, Dorr, W. Va. This remedy is

POLICEMEN

Shouldn't Mix in Politics—Opinion
Expressed at Convention.

Chief Harrison was on Tuesday
elected to membership in the National
association of Chiefs of Police of the
United States and Canada.

Of the convention of the association
held at Cincinnati this week, the chief
has many good words to say. Var-
ious questions pertaining to the police
department were discussed. It was
the consensus of opinion that politics
should be kept out of police depart-
ments and police circles.

The chiefs of police were well en-
tertained in Cincinnati. They were
given trolley and boat rides, and shown
about the city in grand style.

SUFFERED TWENTY-FIVE YEARS.

Cured Permanently by the American Catarrh Rem-
edy, Pe-ru-na.

MR. AND MRS. J. O. ATKINSON, INDEPENDENCE, MO.

Mr. John O. Atkinson, Independence,
Mo., in a recent letter to Dr. Hartman,
says: "My wife had been suffering from
a complication of diseases for 25 years.

"Her case had baffled the skill of some
of the most noted physicians. One of
her worst troubles was chronic constipa-
tion of several years' standing. She also
suffered with general debility and
paroxysms—sometimes as often as six or
eight times a day. At this time she was
passing through that most critical period
in the life of woman—change of life.

"In June, 1885, I wrote to you about
her case. You advised a course of Pe-
ru-na and Man-a-lin, which we at once
commenced, and have to say it has com-
pletely cured her. She firmly believes
that she would have been dead only for
these wonderful remedies.

"About the same time I wrote you
about my own case of catarrh, which
was of 25 years' standing, and at times I
was almost past going. I commenced
using Peru-na according to your in-
structions, and continued its use for
about a year, and it has completely
cured me.

"I have to say that your remedies do
all you claim for them, and even more.
Catarrh cannot exist where Peru-na is
taken according to directions. Man-a-
lin is a most wonderful medicine for
chronic constipation."

Mr. A. F. Stern, Marine City, Mich.,
writes: "I was troubled with catarrh for
three years, and tried almost
every catarrh
medicine I
heard of. I went
down to Dela-
ware, O., to at-
tend college,
where I got one
of your Almas-
nacs, and saw
another remedy
for catarrh. I was almost discouraged
with trying all kinds of medicine,
but my room-mate told me that your
medicine was all right, and so I
tried it. After taking seven bottles
according to directions, I was cured and
felt like a new man. I recommend it to
all who are suffering with this dreadful
disease. It is the best medicine for
catarrh. I owe my health to you."

Mrs. J. A. Bashor, Knoxville, Tenn.,
writes: "My health was completely bro-
ken down and had been for almost a
year. I could not rest day or night, but
suffered constantly untold misery.
Tried remedy after remedy, but found
a relief until Peru-na was recom-
mended to me by a friend. I have taken
one and a half bottles and am today
well and hearty. I shall always praise
Pe-ru-na, for I feel it saved my life."

Mr. J. W. Draper, Gainsboro, Tenn.,
writes: "For many years I had been a
continual sufferer from that dreadful
disease, chronic
catarrh. I gave
up hopes of ever
being relieved. I
tried every remedy
my friends recom-
mended, but all in
vain. Finally I took
my bed. My friends
had all given me up.
Mr. J. W. Draper,
to die, believing me to be in the last
stages of consumption. Having a bottle
of Peru-na in the room, I began to take
it, and in a few days felt so well that I
got up. I continued it, improving all
the time, until I am now almost a sound
man. Can do as hard a day's work as
almost any man. This happened four
years ago."

Mrs. Rachel A. Magaw, 67 West Jef-
ferson street, Springfield, O., writes:
"Your Peru-na is
worth its weight in
gold. I feel like a
new woman. I can't
praise it enough. I
spent a great deal
of money on doc-
tors, but nothing
ever did me any
good until I sent
to you and tried
your Peru-na. I
now feel well of
the catarrh, but
I shall never be without Peru-na, and
shall tell all I see to try it, for I know it
to be a sure cure for catarrh. I can't
praise it enough for what it has done for
me."

Catarrh is an American disease. Fully
one-half of the people are afflicted more
or less with it in some form. Previous
to the discovery of Peru-na, catarrh was
considered well-nigh incurable. Since
the introduction of Peru-na to the medi-
cal profession thousands of cases are
cured annually.

By aid of Dr. Hartman's free books
and free correspondence a multitude of
hopeless people are permanently cured
of this most loathsome and stubborn
disease every year. Anyone afflicted
with catarrh should write Dr. Hartman,
Columbus, O. Ask for free books or free
advice, whichever you most need.
